Subject: Docket 95-116

To Whom It Concerns:

I wanted to express my opinion that I am very much FOR being allowed to keep the same cell phone number. My business involves many clients and my cell phone is my primary access to me. I am very unhappy with my current provider but because I want to change to another provider I cannot keep the same number. So I am stuck with this insufficient company and service for the time being. I am thrilled that this option may happen and I am prayerfully hoping for this change. Please keep this in consideration for all those in the same situation. Our society strives on free enterprise but too much monopolizing and controlling from these carriers has stifled our freedom of choice. As an Independent Contractor I rely on being able to choose things that will save me time and money. Thank You. Respectfully Yours,

Sandra Smith
